

Storytime Registration Form

The Elkader Public Library offers story time on Mondays from 10:30 to 11:00 am. It runs from September through May with a special program offered concurrently as the Summer Reading Program during June and July.

We encourage preschoolers, toddlers, and babies to attend with a parent, caregiver, or other guardian. Regular story time activities include singing, marching, stories, and educational age-appropriate games. Families are sent home with a take-home craft to continue that day's activity and extend the fun.

Parent/Guardian Name: _____

Child(ren) Attending:
